

Wake Turbulence/Accident Review/Decision Making

Learn how to avoid the high threat of Wake Turbulence and its role in a recent accident. Evaluate decisions and what risk each decision has on a safe outcome.

Directions: CAP Classroom

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
